By using updated technology and energy solution for building updated trading solution by professional calibers in strong financial model which ensure monthly profits for our shareholders & token holders

# PROBLEM

## 1 PROBLEM 1

Centralization solutions for NFT

## 2 PROBLEM 2

Centralization solutions for  
staking

## 3 PROBLEM 3

Centralization tracking whales  
wallets systems

# SOLUTION

1

## SOLUTION 1

Fully dedicated NFT  
Platform

2

## SOLUTION 2

Fully decentralized  
stacking platform

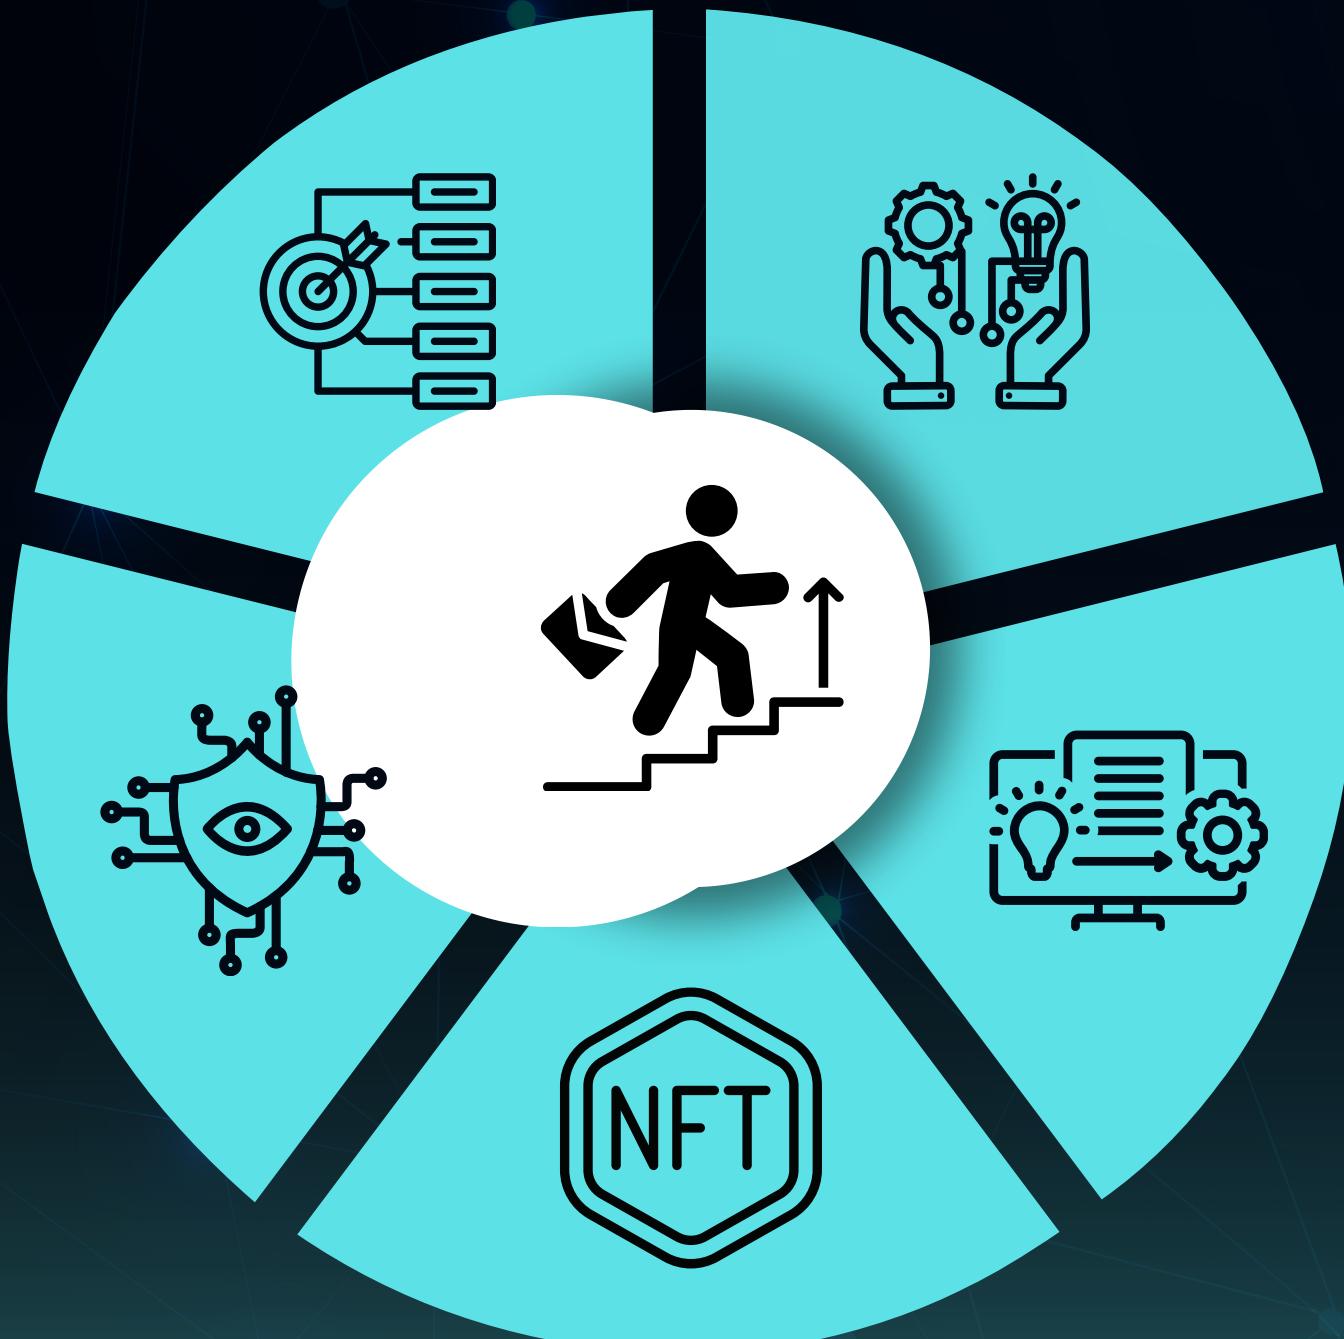

3

## SOLUTION 3

Fully decentralized  
tracking whale wallets  
systems

## WTE UTILITIES

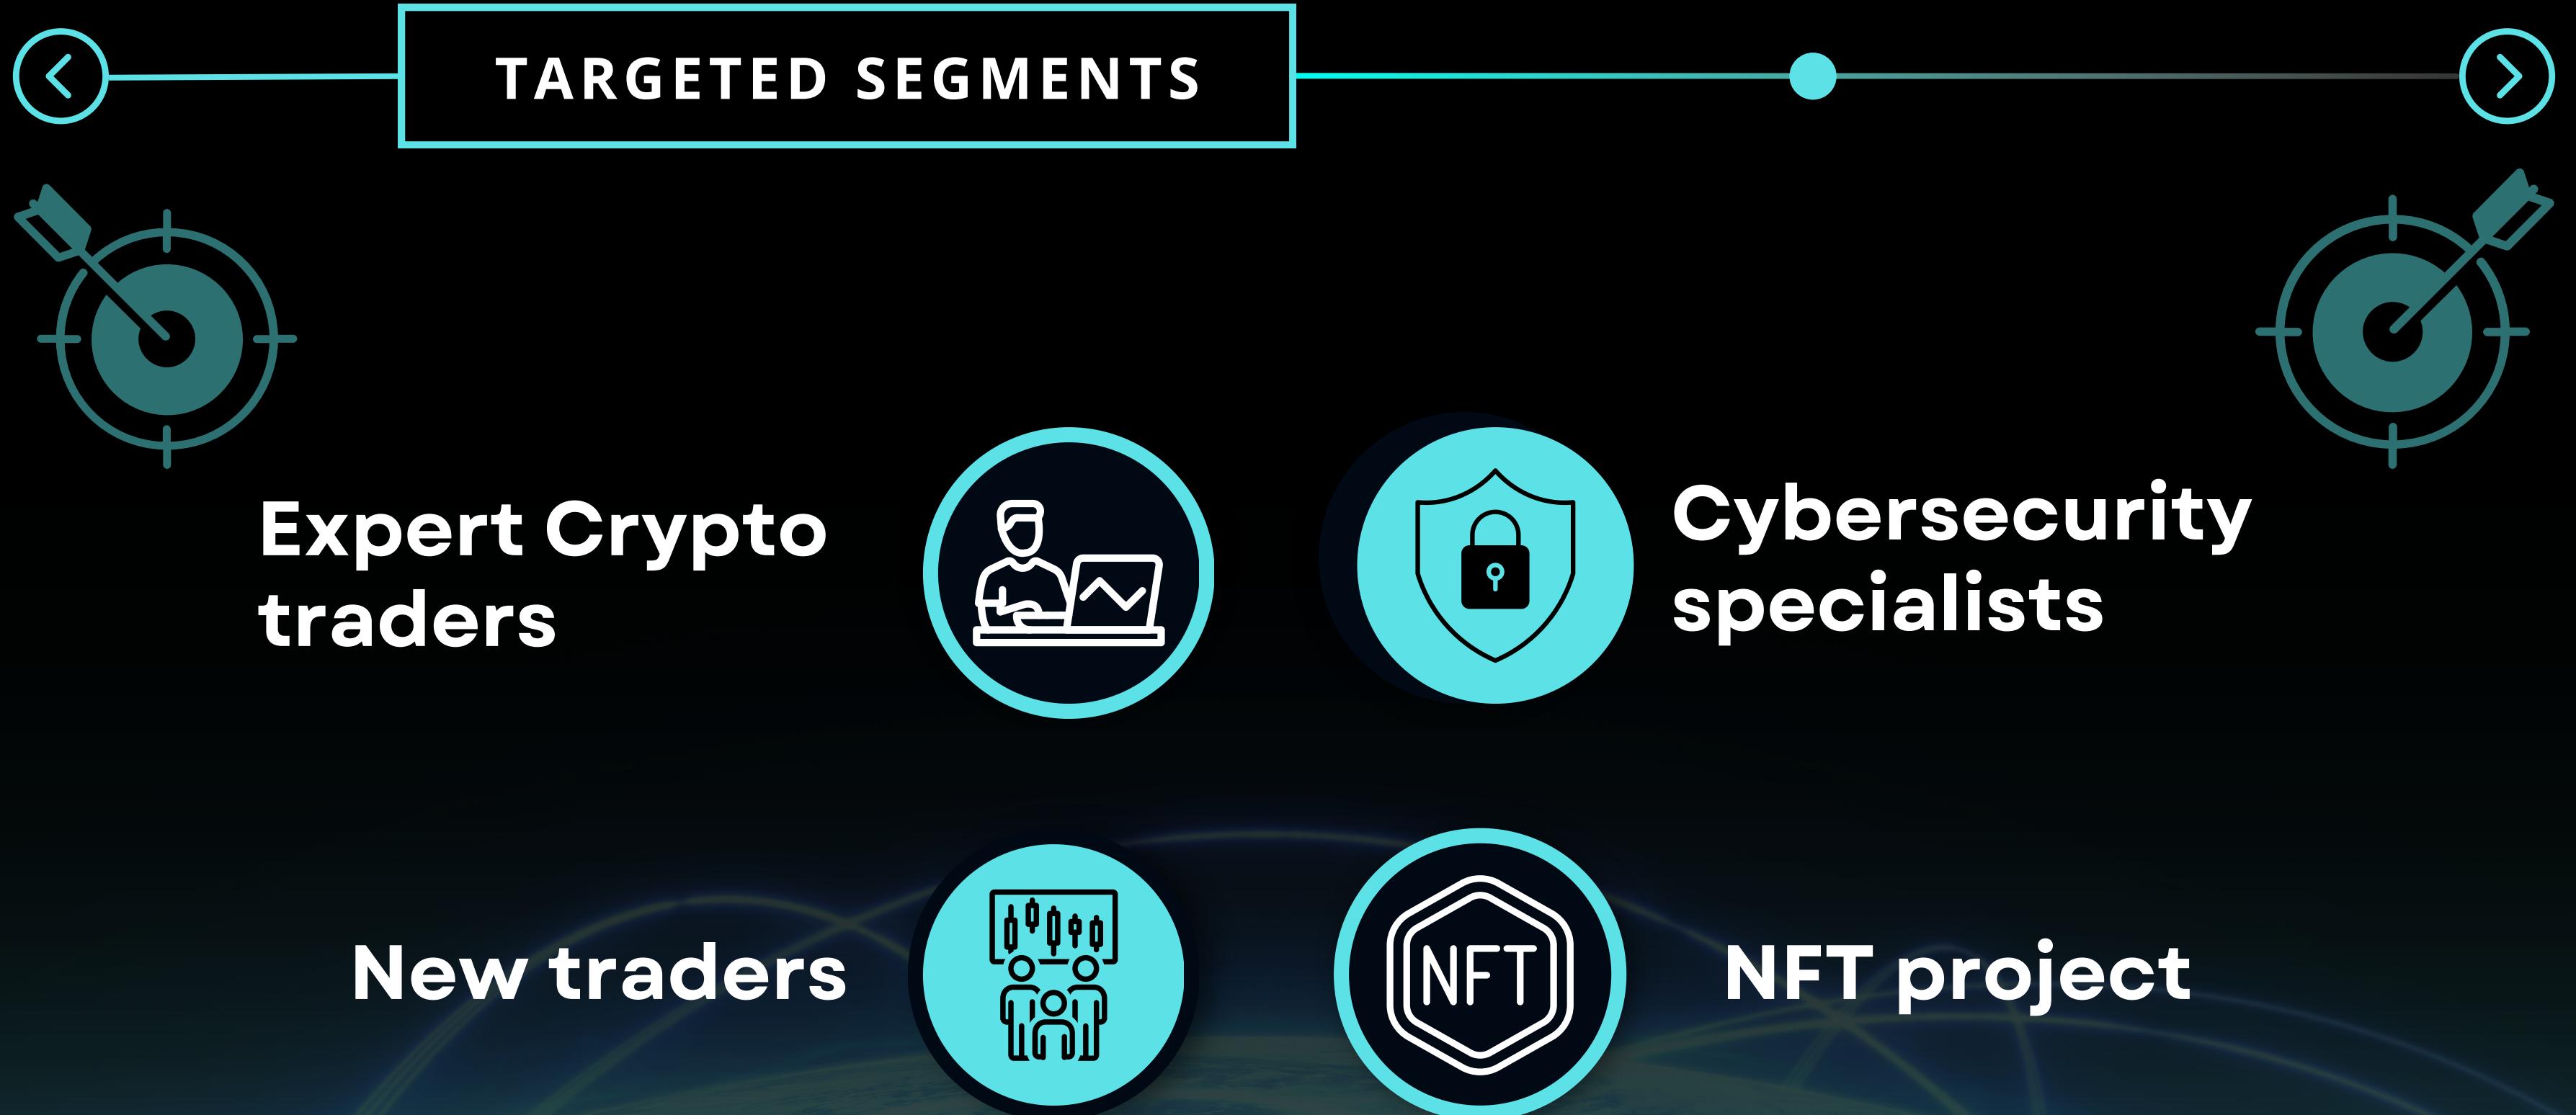

Cybersecurity and IT Services

Cex Platform

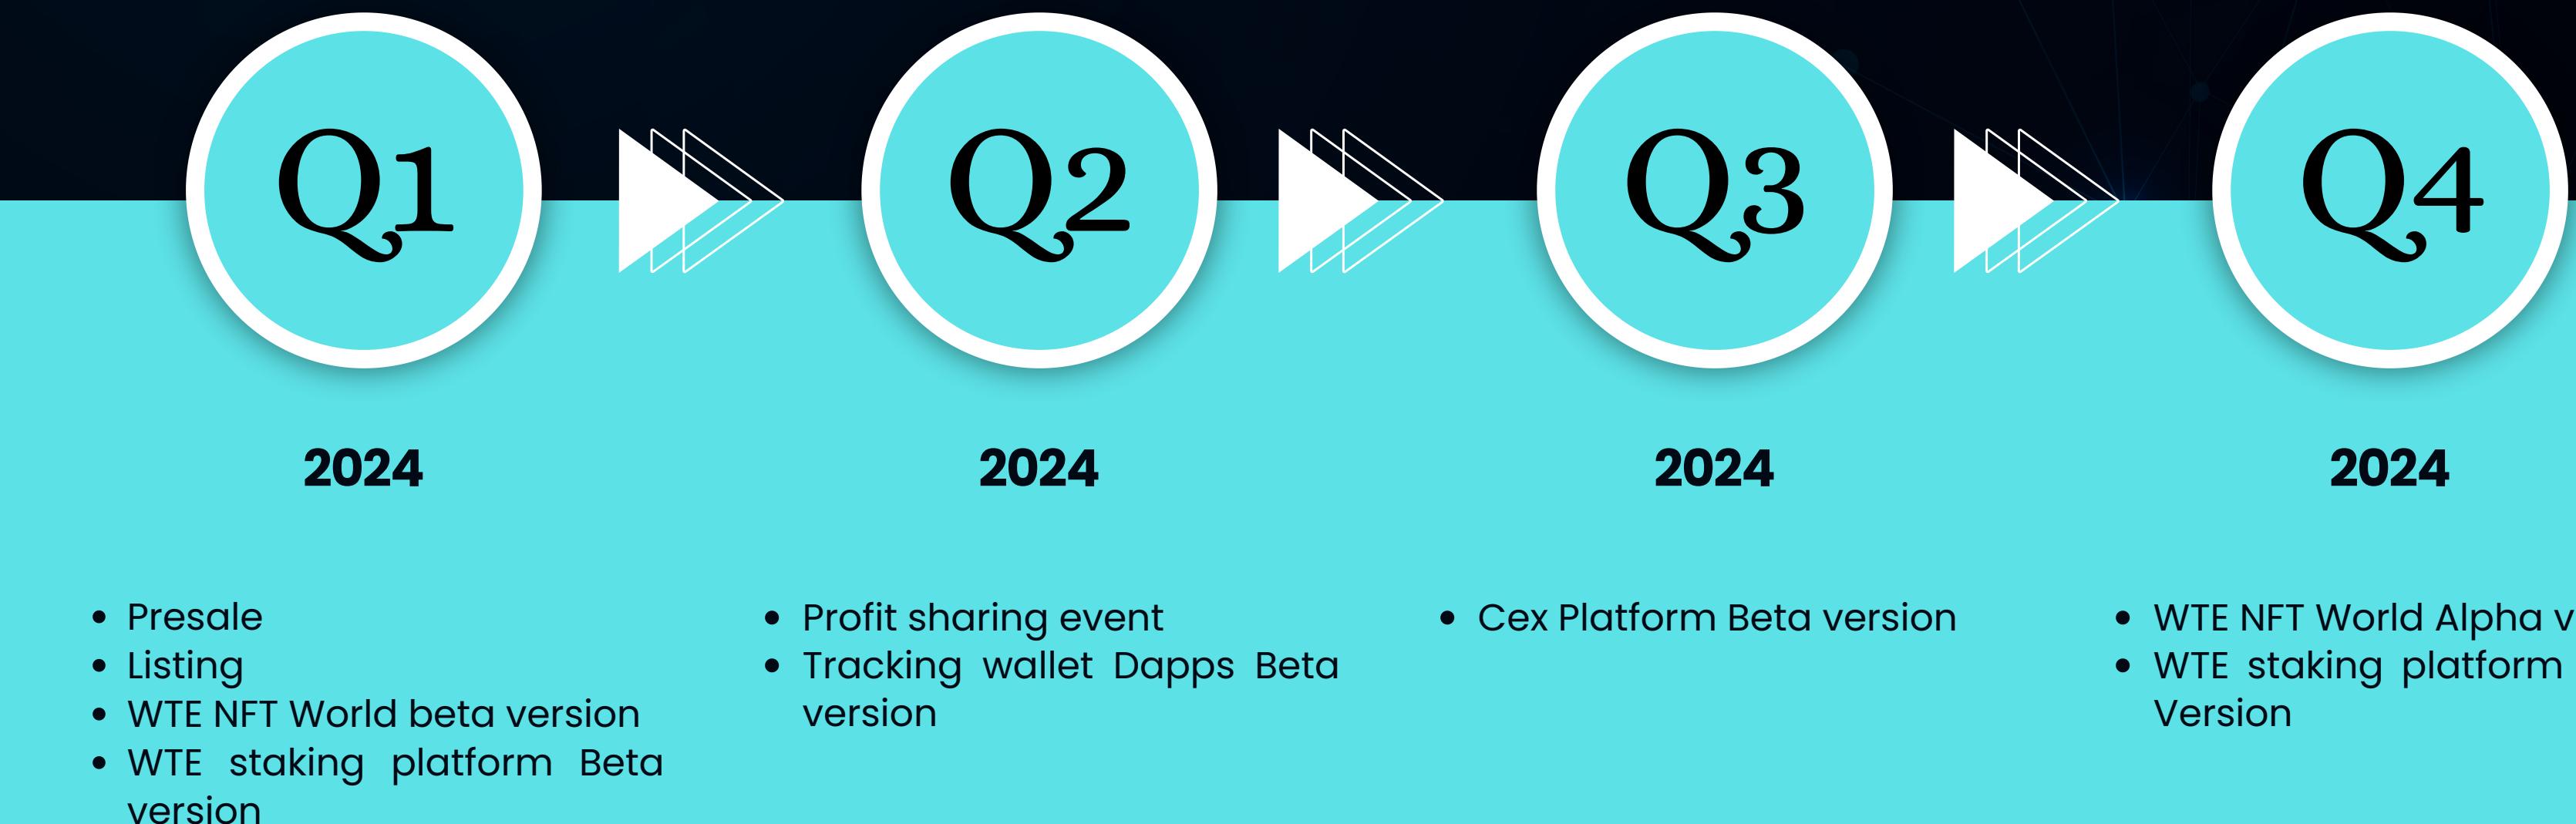

Tracking Wallets Dapps

WTE Staking platform

WTE NFT World

# BUSINESS ROADMAP

# BUSINESS ROADMAP

- Tracking wallets alpha Version

wallets alpha

- CEX platform alpha Version

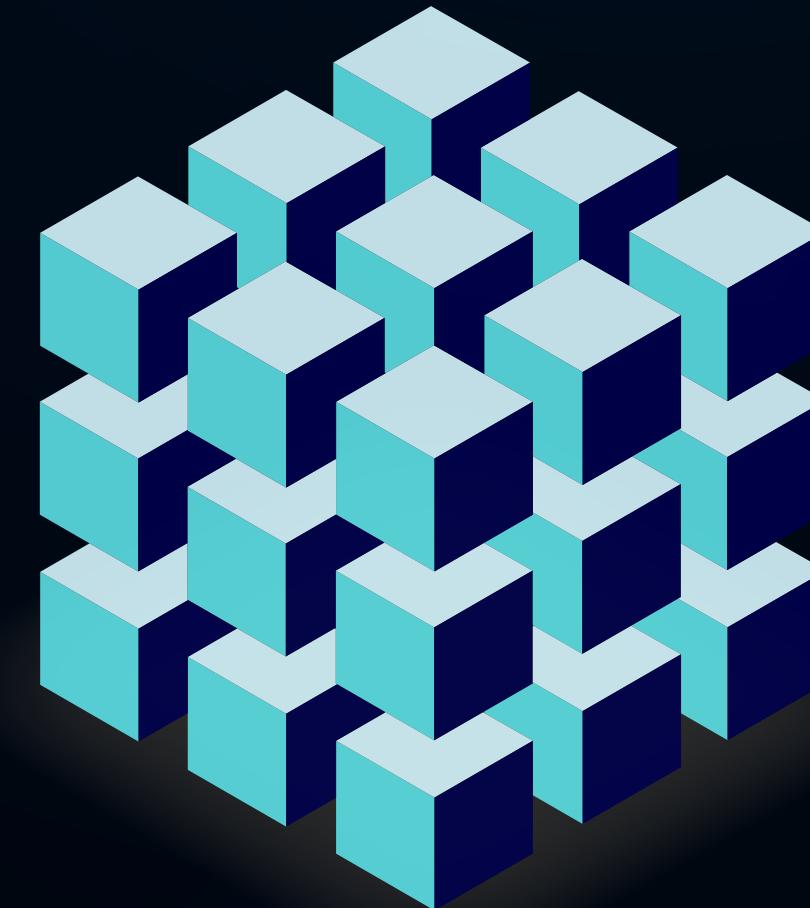

- WTE NFT world
- WTE staking platform Full versions
- Mobile apps

- WTE Tracking wallets
- CEX platform Full versions
- Mobile apps

## BLOCKCHAIN NETWORK

# Binance Smart Chain

Binance smart chain "Bep20"  
WTE utilizes BEP20 blockchain architecture,  
incorporating advanced features to ensure
